

Whiteleaf Walks

Walks likely to be suitable for people with impaired mobility and users of wheelchairs, mobility scooters and pushchairs

Whiteleaf Hill and Brush Hill nature reserves are both areas of woodland and downland on top of the Chilterns escarpment with amazing views and archaeological features. Brush Hill is full of wildlife - at different times of the year you may see birds, butterflies, bluebells, fungi and wildflowers. There is car parking at Whiteleaf Hill and the entrance to Brush Hill nature reserve is directly opposite.
